SPECIAL THANKS

On Behalf of Pender County Parks and Recreation and Untitled Theatre Productions, we would like to extend our most sincere gratitude for attending Hometown Holiday 2024.

We began this journey of bringing theatre arts to Pender County one year ago with the prequel production Hometown Holiday. Thanks to the success of that show, we have been able to collaborate on three more fantastic shows this year. Each production is made possible by the hard work of our dedicated cast, creative team, administrative team, and support of the Pender community. We extend our deepest gratitude to each and everyone involved in growing the arts of Pender County.

A special thanks to Topsail Presbyterian Church for generously providing rehearsal space and the UTP Parent Council for their support.

Thank you again for joining us, and we look forward to seeing you at future performances.
