Pender County Board of Elections

WELCOME TO THE NEWSLETTER

Per N.C.G.S. 143-318.12, Pender County Board of Elections is starting a newsletter concerning elections information. The goal of creating this is to maintain transparency between the Board of Elections and voters and modernize the way that BOE connects with the public. This newsletter will send out reminders about election dates, deadlines, upcoming events, and campaign finance deadline reminders. We plan to send out a newsletter quarterly throughout the year, then monthly during the election season (September-November). Expect to receive the newsletter at the beginning of the month for each of the following months: January, April, July, September, October, November. If you or someone you know is interested in subscribing to our newsletter, please email penderboe@pendercountync.gov to be added to our mailing list.

2024 GENERAL ELECTION RECAP

Throughout the months of October and November 2024, the Board of Elections team successfully administered the 2024 General Election. There were 39,019 votes cast in Pender County which was the largest election in Pender County history. We want to say a big "thank you" to all of the precinct officials and county partners that made this election possible.
