Storm damage permit fees waiver extended

BURGAW – Hurricane Florence storm damage permit fees will be waived until March 18.

Pender County Board of Commissioners approved the extension during their Feb. 4 meeting. The waiver was set to expire Feb. 7.

"We understand the challenges our homeowners are facing," said George Brown, Chairman of the Pender County Board of Commissioners. "Recovery takes time, and we are waiving permitting fees for all storm-related work."

All complete applications received on or before March 18, will be processed at no cost to Pender County residents.

Normal permit fees for all permits will resume on March 19.

Applications are available from the permitting offices in Burgaw, 805 S. Walker St. or in Hampstead at the Annex, 15060 US Hwy. 17.
