

# National Weather Service

## Wilmington, NC

Forecast For: April 5-7, 2019  
Time Issued: 10 AM April 5, 2019

Prepared by: Mark Bacon  
Forecaster #: 910-762-4289

A mild weekend following today's rain

**Overview:** A front will stall south of the area. Moisture associated with this boundary could keep areas along I-95 a bit cloudy and bring a little rain Sunday.

**Impacts:** Fog could lead to some minor traffic headaches each morning.
