

# National Weather Service Wilmington, NC

Outlook Period: 05/10/19 – 05/12/19  
Time Issued: May 10, 2019 11:30 AM

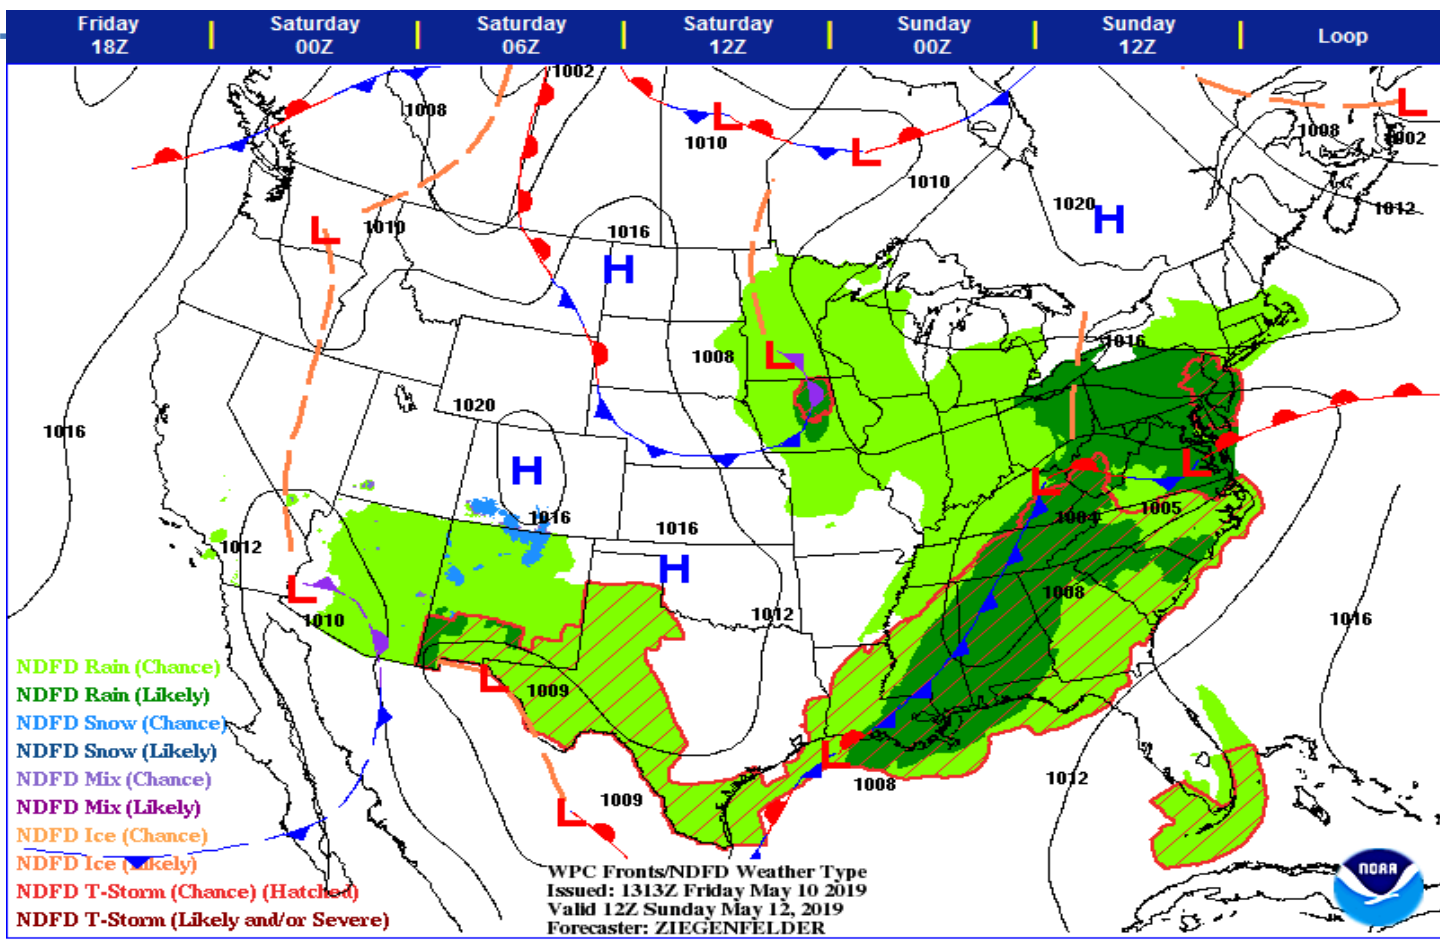

Prepared by: Stephen Keebler

## Increasingly Unsettled Conditions This Weekend

**Overview:** A storm system will move slowly eastward from the Tennessee Valley across the Carolinas by the end of the weekend. Rain chances will increase through Sunday. There is a slight risk of severe weather Sunday as well.

**Impacts:** Severe thunderstorms are possible Sunday and The Storm Prediction Center has the area highlighted in a slight risk.

**Timing/Confidence:** Confidence is high.
