

RECYCLING IN PENDER COUNTY IS EASY!

Designed for residents of Pender County, this easy reference guide on the county's waste and recycling services tells how to properly prepare your recyclables and dispose of other special wastes.

SW stickers must be attached to windshield or you will not be permitted to use the facility. Solid waste stickers are only issued to Pender County residents living in the unincorporated areas of the county. County residents who live in the incorporated areas of the county must use their respective towns' municipal solid waste services for proper waste disposal.

All commercial non-recyclable waste must be taken to the Hampstead Transfer Station for disposal. All commercial recyclables must be recycled through a commercial recycling contract with a private hauler and cannot be taken to the Convenience Sites or the Hampstead Transfer Station. For more information, visit:

pendercountync.gov

Use this map of Pender County to find the nearest convenience site listed on the back of this brochure.
