## **Scheduled Water Outage Notice**

Pender County Utilities has scheduled a water outage for Edens Ln in Hampstead, on May 14, 2024, starting at 10:00 a.m. Approximately 10 customers will be affected by this outage and is expected to last approximately 4-6 hours. This outage is to make necessary repairs to the water main.

Water service will be restored as quickly as possible. Once the water is restored, a precautionary boil water advisory will be issued for the affected customers in the area until further notice.

It is recommended that customers in this area should boil all water used for human consumption, including drinking, making ice, brushing teeth, washing dishes, and food preparation. It is not necessary to boil water for bathing. This advisory will be in effect for 24 to 48 hours. Pender County Utilities will notify customers when the advisory is lifted.

If you have any questions, please call (910) 259-1570. Pender County Utilities thank you for being a valued customer.

Sincerely,

**Brian A. Terry**  
**Water & Sewer Superintendent**
